

Student and Academic Exports

Academics and Students will receive different results when they are exporting a reading list. Below will be a list of what Academics and Students will receive when doing an export and what they will not receive when doing an export.

Academics WILL receive the following:

- Active
- Expired
- Submitted
- Inactive/Readings being Processed
- Future Readings
- Hidden Schedules

They will NOT receive the following:

- Rejected
- Deleted/Removed Schedules

Students WILL receive the following:

- Active
- Future readings
- Expired

They will NOT receive the following:

- Submitted
- Deleted/Removed Schedules
- Inactive/Readings being Processed

- Rejected
- Hidden Readings

The Plain Text export uses the citation style set for the paper. As an example if the paper is using AGLC then the plain text will export using the AGLC style.
