

Single Sign-On for Library Staff

eReserve Plus can be integrated with the Single Sign-On service used by your institution, allowing Library and Faculty staff already logged in with their institution to automatically log in and access the eReserve Plus admin console.

The eReserve Plus SSO integration can be implemented with any SAML 2.0 compatible system and Microsoft Azure.

If you are interested in SSO integration for your institution, please don't hesitate to contact the [eReserve Support Team](#).
